

START A BLOCK ACTION TEAM TODAY!!!!

➤ **What is a Los Altos Block Action Team (BAT)?**

A BAT is a group of neighbors, led by one or more of their residents, who want to have a strong, resilient and fun neighborhood. Co-leaders are encouraged.

➤ **What are the responsibilities of a BAT?**

- ✓ *Connect through social activities*
- ✓ *Work together to maintain a safe environment*
- ✓ *Organize Neighborhood Watch*
- ✓ *Help each other in emergency situations*

➤ **How much area does a BAT cover?**

The size of the BAT will be determined by the BAT leader & their neighbors. Some neighborhoods have logical boundaries that are easy to recognize; a typical block is often 15-50 households. The goal is to have every household in Los Altos included in a BAT.
